Kol HaKavod to our friends and partners on 130 years of leadership!

Your work to ensure equity and justice for women, children, and families in the United States and Israel, is as important today as it has always been. Thank you for your dedication and service. Your work reminds us that with sustained hope and resilience, we can bring lightness to the dark.

Wishing you many more years of impact and success!

Unprecedented times demand unprecedented actions. The National Council of Jewish Women serve as a beacon of light for the women and children in Israel. We're so proud to support this organization in their mission to advocate for the rights and protections of women and children. We applaud Shelia Katz and the National Council of Jewish Women's staff for their bravery and courageous leadership and impact on their 130th anniversary.
